THE TROPICO
HERALD

VOL. 2 GLENDALE (Los Angeles Postoffice) CALIFORNIA, SATURDAY, MARCH 8, 1919 NO. 14

ELKS ELECT OFFICERS FOR ENSUING YEAR

Last Monday night, March 3rd, Glendale Lodge 1289, B P. O. Elks, elected officers for the ensuing year. One hundred fifty members of the organization were present to participate in this annual event. The officers elected were:

Cameron D. Thom—Exalted Ruler.
Dr. R. E. Chase—Esteemed Leading Knight.
John Fanset—Esteemed Loyal Knight.
Alfred F. Priest—Esteemed Lecturing Knight.
W. E. Heald—Secretary.
Herman Nelson—Treasurer.
Francis E. Gilman—Trustee.
C. E. McPeek—Tyler.

The installation of the newly-elected officers will take place at the regular meeting on the first Monday evening of April.

Dr. J. L. Flint was nominated trustee to fill the vacancy made by the resignation of Stanley Frentz.

Bert P. Woodard, retiring Exalted Ruler, was elected a delegate to represent the Glendale lodge at the next Grand Lodge meeting.

George Melford was elected as the alternate delegate to the Grand Lodge Meeting.

G. U. H. S. GETS PENNANT

Monday afternoon Glendale Union High School won the football championship of the Suburban League for which three schools were recently tied, viz., South Pasadena, Citrus Union and Glendale. Citrus Union and South Pasadena had another try-out, in which Citrus won by a score of 70 to nothing. That left the odds between Glendale and Citrus Union, the game being played on the neutral field of South Pasadena Mondey afternoon.

The teams were evenly matched, and it was a pretty contest, but the Glendale boys captured the banner.

N. P. BANKS POST WEDDING

The regular meeting of the Post on Friday, March 31st, was of more than usual interest, inasmuch as the marriage of Comrade George W. Sanford and Mrs. Mary Rhea took place on that occasion. Rev. C. R. Norton, grand chaplain, officiated, and beautifully performed the regular Methodist ceremonial. Then congratulations were showered and received, and the wedding dinner was served.

Comrade Sanford has been a member of the local post for twenty years, while his bride has been connected with the corps for ten or fifteen years, and their attachment to the organization and to their many friends in it is mutual.

Mrs. Sanford has rented her Maryland Avenue home, and the "newlyweds" are "at home" at the beautiful Sanford ranch in Verdugo Canyon.

ODD FELLOWS MOVED

The Odd Fellows are now in their new quarters in the old Elks' Hall, in the Central Building, which has been completely refurnished and redecorated. The pool tables were moved into the game room, which is up-to-date in every particular. The boys are mightily pleased at getting settled in their beautiful new home, which is so conveniently located.

TAKE OVER LIGHTING SYSTEM OF TROPICO DISTRICT

The state railroad commission has authorized the taking over by the board of trustees of the Edison electric lighting system in the Tropico district. The application for this transfer was made last fall following the bond election. The bonds were sold, and the money to pay for the system has been in the city treasury for several months.

TAX ASSESSORS AT WORK

County assessors have begun to make the combined assesments of county and city. From this time on, but one assessment wil be made. After the assessment has been made, the city trustees will fix the rate for Glendale city taxes, based on the valuations given by the county assessor, and the county will then collect taxes for both city and county.

MRS. TOLL TO RETIRE

Mrs. Charles H. Toll has announced that she cannot be a candidate for school trustee for re-election at the coming election, when her term will expire. She feels that she cannot longer carry the work and responsibility.

The local Red Cross Branch is making a drive for clothes for the Allies. The Salvage Headquarters on San Fernando Boulevard will be open every day, and if you have any old or discarded clothing, you may leave it at this place. Clothing of all kinds is wanted.

NO INTENTION OF SELLING OUT

A small article was published this week in a local paper, stating that Mr. H. W. Butts might sell the B. &B. Store, of which he is the proprietor, and accept an offer to join his brother in Texas. "There is absolutely no truth in the article whatever," stated Mr. Butts, when interviewed by a Herald representative, "and I do not know who caused it to be published or what was their motive in doing so, and as to where they got such information to the effect that I was going to sell out, I haven't the slightest idea, for no such thoughts ever entered my head. The article is absurd, and not a line of truth in it, for I do not even have a brother!"

For the reason that the article was misleading, it might have caused serious injury to Mr. Butts' business had it been published in a paper of large circulation, but as it was, it was three days after publication before he knew anything about it. The B. &. B Store is one of the largest mercantile establishments in this city, and the courtesy and efficient service extended by its employees has earned for it an enviable reputation, which is well vouched for by the large number of satisfied customers all over Glendale. As. Mr. Butts has no intention of selling out and leaving Glendale, such articles as above referred to, whether published intentionally or not, would reflect upon any enterprising institution.

At any rate, we are glad that this article was not true, and Mr. Butts is not going to sell out and leave us. We are sorry, though, that Mr. Butts hasn't a brother.

A SUGGESTION TO THE G. G. D. A.

In view of the fact that the great Henry Ford has announced that he has perfected plans for another automobile, superior to the Ford, self-starter and all, that can be sold for $350, and that it will be manufactured entirely separate from the Ford factories, and at several different localities, one of which will probably be in Southern California, a friend suggests that **here is Glendale's opportunity.**

We have all the essentials for the proposed factory—location, natural gas, electricity, etc. So let the Greater Glendale D. A. get busy and go after this. A Bond Issue for something like this would be far more attractive, and would be a revenue producer instead of a constant dead expense. Instead of striving to bond the city to its limit (which the park committee was investigating), go after the industrial propositions.

ANNEXATION ANTICIPATIONS

Los Angeles is reaching out after more territory. Santa Monica is agitating the question, and Glendale is also an object sought, as noted by the big city papers.

Their mention of the fact caused a Glendale paper to throw several spasms last week, and no wonder, for if Glendale were annexed to Los Angeles that paper would lose its main source of revenue (city legals).

We agree with the editor of that paper that probably 80% of our citizens are opposed to annexation **now,** but just a word of warning—that 80% can be easily reversed by a long-suffering public.

Heavy bond issues are not conducive to the taxpayers' peace of mind, neither are needless expenditures of the public funds or increases in the public utility rates (water and electricity), and people frequently vote for a "change," even when they hardly expect to better themselves by that change. More anon.

The Victory Liberty Loan will come in April.

An ad in the Herald will get the "biz" in this community.

PROCEEDINGS OF BOARD OF TRUSTEES

The Board assembled at 8:10 p. m., March 6th, 1919. Present at roll call, Trustees Henry, Shaw, Woodberry, absent Trustees Jackson, Muhleman. The minutes of the last regular meeting were read and approved.

Communication was read from Mr. D. S. Phillips, thanking the Board for his appointment as Auditor of the Public Service Department, and promising his co-operation with the Board in working for the best interests of the City.

Communication was read from the City Tax Collector, accompanied by a demand for the payment to P. O. Lucas of the sum of $22.80 previously authorized by the Board to be refunded; the property being exempt from taxation under the Soldier's Exemption Act, communication ordered to be filed.

Reports were presented from the City Treasurer and Tax Collector, Health Officer and City Recorder, all of them being filed.

The City Manager reported that Glendale & Montrose Railway Company wishes to shift its track on Wilson Avenue to the center of the street. On motion of Trustee Henry it was ordered that all members of the Board, and the City Manager meet at the City Hall at 9 a. m., March 7th, 1919, and proceed to Wilson Avenue to investigate the situation in regard to the advisability of granting the request of the Railway Company.

The City Attorney reported that he had received the following communication from the Southern California Edison Company:

Southern California Edison Company
Law Department
Los Angeles, Cal, March 5th, 1919.

Mr. W. E. Evans,
City Attorney of Glendale.

Dear Sir:—

The Railroad Commission having given its approval to the transfer by Southern California Edison Company to the City of Glendale of a portion of the distributing system of the Company in the City of Glendale, and having fixed the price the City is to pay therefor, Southern California Edison Company is now ready to take the necessary steps toward making a conveyance of the property in question. This property is subject to several trust deeds securing bonds issued by this Company and its predecessors in interest. These trust deeds provide the method for securing partial releases in case of the sale of any of the property, but the method is rather cumbersome and will probably require at least two or three months. It will undoubtedly be very desirable from the point of view both of the Company and of the City, however, to effect a conveyance and a delivery of the property without awaiting the receipt of the various releases that must be secured. I suggest, therefore, that we arrange to consummate the transaction between the City and the Company on the 20th of this month, and on that date, if agreeable to the City, the Company, upon receipt of payment of the price to be paid, will deliver its warranty deed to the City and possession of the property in question. The Company has already taken steps toward securing releases from the various trustees under the above-mentioned deeds of trust, and will proceed with the utmost diligence in the securing of these releases.

Please let me know if this plan meets with the approval of the City, so that I may be ready to carry out the transaction as above outlined.

Yours truly,
HARRY J. BAUER,
General Counsel.
By E. W. CUNNINGHAM.

On motion of Trustee Shaw the proposition so submitted by the Southern California Edison Company in the above letter was ordered to be accepted, the money paid and the property taken over in accordance with the terms named.

On motion of Trustee Shaw, it was ordered that the sum of $425.00 be transferred from the Insurance Reserve Fund to the General Budget Fund, and the sum of $400.00 to be transferred from the Insurance Reserve to the Public Service Fund, the latter to be repaid, by the following roll call: Ayes, Henry, Shaw, Wooderry; Noes, none; Absent, Jackson, Muhleman.

OFFICES CONSOLIDATED

Forest Lawn Cemetery Association has consolidated its Los Angeles office with the main office at the cemetery. The Los Angeles office was located at 1219 Hollingsworth Building, but it has been decided that it will save confusion and facilitate the handling of business in every way to have all departments under one roof. With this in mind, the change has been made, and the entire business organization of this company is now located at the Glendale office, 1800 South Glendale Avenue, at the junction with San Fernando Boulevard.

HIGH SCHOOL GRADUATES HAVE GOOD TIME

Eight of the nine graduates of the midwinter class of the Glendale High School hied themselves to Balboa Beach on Tuesday morning of this week, and participated in a fun feast for several days. The party report having a jolly good time, and one which will long be remembered. The party consisted of: Winifred Bacon, Sybil Jamgochian, Erma Patterson, Iva Nine, Lois Percey, Audrey Hall, Hulbert Toll and Donald Wieman.

Mr. and O. J. Gordon, of Zelzah visited Thursday with Mrs. M. Sullivan.

IN NEW LOCATION

Salmacia Brothers, of the Glendale Phonograph and Piano Company, have been enjoying such an extensive business recently, that they have found it necessary to seek more commodious quarters, and may now be found in their new location, at 109 North Brand, the room formerly occupied by the Irish Linen Store.

They will now carry in stock all models and designs of the popular Edison, Columbia and Brunswick phonographs and Graphophones, and even all records listed in the catalogues of these companies. They are equipped with five sound-proof booths where you may listen to records without the distraction of noises from outside. They also carry a big line of painos, players, and sheet music, and the Singer sewing machine.

This is one of the most enterprising firms in Glendale, and their success is gladly noted by their many friends. In the new location they are especially well prepared to care for their growing trade, and without doubt will continue to prosper.

Mrs. M. Sullivan, of Los Feliz, entertained last Saturday Mrs. J. P. Nolan and two daughters, of Los Angeles, also her son, Irvin Nolan, from overseas, and Lieutenant Milton Pierson, of San Francisco, who will remain with his aunt, Mrs. Nolan, and recuperate from a recent operation.

LOCAL HAPPENINGS

The semi-monthly meeting of N. P. Banks Post, G. A. R., will occur this afternoon at 2:00 o'clock.

Mrs. Miller, of Pasadena, spoke on Home Missions in the morning at the Methodist Church in Tropico.

Mrs. S. E. Brown, of 1239 South Maryland, was the hostess of the Thursday afternoon Club this week.

A welcome reception was given at Social Hall of the Methodist Church of Tropico on Tuesday night in honor of Paul Cramer.

Miss Adda Burch attended a luncheon at the home of Mrs. Beard, Magnolia Avenue, Los Angeles, on Wednesday. Covers were laid for fifteen. The color scheme was red and white. Delicious refreshments were served by the hostess.

The Kensington Club members served an appetizing three-course luncheon Thursday in the G. A. R. banquet hall, in celebration of the fifth anniversary of the organization of the club. It being the first beautiful, calm, warm day for quite a while, many of the members and their friends were in attendance, and all enjoyed the occasion thoroughly.

The reception given by the Epworth League members of the Methodist Church Tuesday evening for Paul Cramer, who recently returned from overseas, was thoroughly enjoyed by Paul's many friends who attended. The elaborate decorations seemed to fill the reception hall with the spirit of St. Patrick, and even the dainty refreshments and favors, served after an evening of merry games and music, were reminders of the great saint of Ireland. A short but interesting address by Paul, relating some of his experiences abroad, was highly appreciated.

Born, to Mr. and Mrs. J. H. Houle, 122 East Maple Street, an 8¾ pound boy. This young fellow, the second son and fourth child, who arrived on Wednesday, February 26th, to bless the Houle family, will be christened Francis Joseph.

In a recent issue of the American Railway Journal a report was made on the efficiency of suburban street-car systems; and the Pacific Electric Company was mentioned as ranking first in the entire United States. And of all the various lines of the P. E. System, "Glendale line" was pronounced to be the most perfect in every way—and yet some of us commuters who are fortunate enough to travel on such a good road are constant kickers at the service.

Mrs. William C. Mabry, of Eeast Acacia Avenue, and her small daughters, Janet and Betty, are arranging to leave soon for Salt Lake City, where they will join Captain Mabry, who has just been transferred to Fort Douglas from Camp Lewis. Captain Mabry had aplied for a discharge, but the government, appreciating his valuable services so highly, gave him the transfer instead. As Mrs. Mabry's relatives live in Salt Lake City, it will be a delightful visit for her to be with her husband and near the home-folks too.

Ed Alexander, of 132 West Acacia Avenue, after spending the month of February in his old home town in Western Tennessee, returned Monday, accompanied by his mother, who will make an indefinite visit with her son and family. Mrs. Alexander has been here before, and appreciates the charms of Southern California.

Mr. and Mrs. Robert M. Sanders, of 121 West Acacia Avenue, entertained at dinner, Tuesday, Mr. and Mrs. S. W. Merriman, of Louisville, Ky. The two families were neighbors in the "Blue Grass" city years ago, and it was a happy, merry quartette who spent the day in pleasant memories of the past. The Merrimans are spending the spring months in Southern California.

Dr. Presley O. Lucas guards his automobile a little more carefully since Saturday evening, when two unknown men were getting too familiar with it. But for a passer-by, who evidently scared the men away, the doctor thinks he might be hunting and advertising for a stolen car by this time.

The Woman's Foreign Missionary Society will hold its monthly meeting at the home of Mrs. Crawford, 800 Central Avenue, and it will be most interesting, being a Jubilee Birthday Party. Miss Emily L. Harvey, returned missionary from India, will be present and give an address on India, and the first woman missionary, whose birthday we celebrate. Curios will be on exhibition. It is greatly desired that a large attendance of ladies be present to hear this gifted speaker. Members of the society are asked to bring or invite a guest. The meeting opens promptly at 2:30, and the ladies are asked to come early so that they may see the curios.

Jottings By The Way

By The Rambler

H. E. Bartlett is bulding a new home on Casitas Avenue, in the Atwater Tract.

We always like to apply that silver lining theory to other people's clouds.

Well, how about that waiting room on Brand Boulevard and the San Fernando Road? Hey?

Sometimes, when we read about "stepping stones to suceess," we awake to the realization (so it seems to us) that we are the stepping stones. Our associates are the climbers

---

Glendale's goin' to be some city some of these days—new parks, new post office and new boulevards. Keep her humming, boys.

Waitin' for your ship to come in? Why not charter a tug and meet her?

Atwater Park is a lively place these days. Excursions from Los Angeles bring loads of people out this way almost daily. We hear that a number of lots in this beautiful subdivision have been sold.

Wagon tongues can not talk, but oh, how some tongues can wag.

Turn this upside down!

Thank you, now turn it back again.

We know a woman who is harvesting—her husband's wild oats.

Scrambled eggs are better than scrambled brains.

By the way, the Butcher just told me that he had no brains at all. Huh?

Mrs. Burger, of El Bonita, lost a valuable Airedale pup recently. Hope he strays back home again.

A man who scrambles out of the bath tub to answer the phone, and finds it was the wrong number, and then sings a hymn—well, he's a wonder—or else there is no such animal.

STATIONERY DEPARTMENT SOLD

Francis E. Gilman Buys Book Department of Glendale Paint and Paper Co.

Francis E. Gilman, of 1241 East Harvard Street, this city, has purchased the stationery, book and art department of the Glendale Paint and Paper Company. The business will be conducted at the same location, 119 South Brand Boulevard, under the name, "Gilman Stationery and Art Shop." Mr. Kuntzner will share the store, however, and continue there his paint and paper business.

Mr. Gilman states that the stock will be greatly increased; new lines will be carried so that a complete, up-to-date stationery, art and book stock will be installed, including school books and supplies and office equipment.

Mr. Gilman has been connected for the past seventeen years, both in Los Angeles and in San Francisco, with the wholesale firm of Cunningham, Curtiss & Welch, and he understands the business from the ground up. His business connections give him unusual facilities for meeting the needs of our city, with which he is well acquainted, having been a resident for several years. He has a large social and lodge acquaintance and will be welcomed here as a business man.

He is taking up the work with great enthusiasm, having large faith in the future of Glendale, which he believes is big enough to support a metropolitan book and art shop, where many attractive novelties can be fund.

MICHIGAN PICNIC

Announcement is made of a picnic reunion of all former residents, tourists and visitors from the state of Michigan, to be held in Sycamore Grove Park, Los Angeles, all day, on Friday, March 15th. County registers, free coffee, and a basket dinner, as usual.

Friends of Levert Goddard will be glad to learn that he is now in active service, having left the school at San Francisco some time ago, and on February 15th he sailed on one of Uncle Sam's ships for France. Levert is now a chief electrician, and he likes his work very much.

BIG BOND ISSUE PLANNED

City Trustees Plan Public Improvements. About $200,000 Bonds Proposed

At the regular meeting of the City Trustees, held last week, a large amount of business was transacted which did not reach our readers in the regular report of Trustees' Proceedings which we published.

As shown by the regular report, the Public Service Department was reorganized, and placed under the direct charge of the City Manager, but under a separate resolution, Ex-Public Service Manager Lynch was employed as "Engineer of the Public Service Department" at the same old salary of $250 per month. His duties, as defined by the resolution are to prepare plans and specifications for the following improvements and extensions which the board has in mind for the water system of the city:

1. Pipes and other requiremtns needed for extensions and betterment of the present distributing system to take care of the natural growth of the plant for the next two years.

2. Reservoir of large storage capacity.

3. Wells, pumping plant, settling basin and other requirements for the fullest development, conservation and protection of the city's water supply within Verdugo Canyon.

4. Large trunk line connecting said wells, pumping plant, etc., with the aforementioned reservoir. Also trunk line connecting said reservoir with the main on Glendale Avenue.

5. Electric generation plant to be located at reservoir hereinbefore mentioned for the generation of electric power from power developed in the transmission of water from the power plant in Verdugo Canyon to the storage reservoir, also to estimate the value of power to be developed.

6. Purchase of Verdugo Canyon Water Company shares, together with such additional water shares it may be advisable to purchase at this time, and such other extensions and betterments of the water system as the public necessity and convenience may require.

A report giving a general summary of the future needs of the water department had already been prepared by Mr. Lynch and is on file with the board of trustees. From the preliminary estimates it would appear that the probable cost of the improvements and betterments would be in the neighborhood of $180,000.

The salary of Peter Diederich, who was made superintendent of the department, was fixed at $160.00 per month, and that of Dean S. Phillips, auditor, at $165.00 per month. These men and the work which they will do is the same as they have been doing, merely a shifting of titles, and now under the direct charge of the board of trustees, which is as it should be, but with their assistance, through the City Manager, we believe that Mr. Lynch's services could be dispensed with, and the city be that $250.00 a month ahead.

Attorney Dwight Stevenson made a business trip to Ventura the past week.

Victory Liberty Loan bonds will measure your patriotism.

There are all kinds of cheap printing—but none of it is really cheap—at least not on a basis of value. Cheap stuff is usually worth almost what it costs. Our printing isn't the cheapest you can get, but it's as good as the best.

Mr. George Bridges and family are occupying their home on Mariposa Ave.

Mr. and Mrs. Ed Bryant of Mariposa avenue have returned from their trip to Denver, Colorado. Mr. Bryant's mother accompanied them home.

AT THE PALACE GRAND

An exceptional double bill is being offered at the Palace Grand Theatre today. There is Charles Ray in his greatest hit, "The Girl Dodger," and Fatty Arbuckle in his latest two-reel comedy, entitled "Love." It's a good one Children's matinee at 2:30 and evening shows at 6:45 and 8:45.

For Sunday, an exceptionally interesting comedy drama is offered, "The Little White Savage," starring Carmel Myers. On the same program is a great new Mack Sennett comedy, full of original and humorous stunts, entitled, "Never Too Old." There will be a matinee at 2:30, and evening shows at 6:45 and 8:45.

For Monday, March 10, the attraction is Florence Reed in "The Struggle Everlasting." The heroine pits her youth and charm against the strength of mind, and grapples with a problem that has baffled humanity for ages. She is supported by an all-star cast. Also Pathe News. Matinee begins promptly at 2:30, evening shows at 7:00 and at 8:45.

James Oliver Curwood's great story of the North, "Her Fighting Chance," or "The Spell of the Yukon," will be shown on Tuesday. Jane Grey plays the leading part, and is supported by an unusually good cast. On the same program will be shown a good comedy entitled "Klever Kids." Matinee at 2:30. Evening shows at 7:00 and at 8:45.

The popular story "Women's Weapons" will be presented on Wednesday. This is the story of a wife who found that her husband was in love with another woman. Boldly, she brought the other woman into her home, and conveniently fell ill (?), so the "soul mate" had to do the cooking. And cupid fled. On the same program is a two-reel James Montgomery Flagg comedy entitled "Tell it to the Marines." Matinee at 2:30, evening shows at 7:00 and 8:45.

William S. Hart in "Branding Broadway" comes on Thursday. You are not used to seeing Bill in a dress suit, and if you see this picture you will see that and several other things you have not seen before. It's his latest hit, and it is humorous and thrilling all the way through. On the same program is the official allied war review, and topics of the day by the Literary Digest. Matinee at 2:30. Evening shows at 7:00 and at 8:45.

Another old favorite will be given a return showing on Friday's program. This is Booth Tarkington's famous story of growing boyhood, "Seventeen," featuring Jack Pickford and Louise Huff. It is a masterpiece, as all will testify who have seen it. Burton Holmes outdoor pictures will be shown also. Matinee at 2:30. Two evening shows, 7:00 and 8:45.

NOTICE TO THE PUBLIC

At the general election of officers of Glendale Lodge No. 1289 B. P. O. E., I was elected to the office of secretary for the ensuing year. This position will necessitate my entire time and attention, therefore I shall, on or before the 15th of this present month, close my jewelry and watch repairing business that I have conducted for the past four years in what was formerly Tropico, but now Greater Glendale. All repairing now in my possession will be finished to be called for or delivered to the proper owner. No further repairing will be accepted after this dating. Those who are indebted to me on account will please make arrangements to close the same at once. If desirous of further information, phone me at GLENDALE 7-J, my residence, or Glendale 1169, my business place.

Very Respectfully
W. E. HEALD.

W. C. T. U. NOTES

By Miss Adda Burch

Pennsylvania is forty-fifth state to ratify.

The annual Tourist Program of the Los Angeles W. C. T. U. was a great success in every way. Dr. Charles Edward Locke made an address, extending the greetings of the Union. Dr. Locke is one of the esteemed honorary members of the Union. Mrs. Asa Gordon, Vice President of the Dominion of Canada W. C. T. U., made an impressive address on "Women Our National Defense," and Miss Edith Newman furnished whistling solos, with Miss Louise Crook as accompanist. Representatives from fifteen states were present, and flowers were given each one. Several new members were obtained.

The California Voice picnic on Washington's Birthday at Sycamore Park was a decided success. The picnic was in honor of Colonel Sobieski. The speakers were Miss Marie Brehm, R. D. Richards, H. C. Needham, and others.

The County Press Superintendent is sending out blanks which it is hoped will be returned promptly by April 1st.

THE CHEERFUL CHERUB

I picked a lot of flower buds.
How soon they met their doom!
It must be fierce to be a bud
And never get to bloom.
